

Scholarships for Camp Northwest

Scholarships up to \$75 are available to campers who wish to attend Camp Northwest and have financial needs. An application is required. Based on the information provided, a scholarship committee will make a decision and let each applicant know the results. Scholarships are based on a first-come, first-served basis, beginning in January. Scholarships may be granted up to the date camp begins depending on approval and availability of funds.

Financial need will be determined by the following criteria: full-time ministry young people who have needs; large families with more than one child attending camp; individuals with financial hardships; and individuals recommended by the churches who they believe might profit from a week at camp and who are new to the church or community.

Those who are granted scholarships and attend camp are asked to write a letter letting the committee know of their camp experience. Of course, the committee also would love to hear from parents and pastors of the impact camp had on the camper.

Application for Camp Northwest Scholarship 2010

Camper Application

Camper Name: _____ Age of Camper: _____

Additional Camper(s) in Family: _____

Camp Requesting: Junior Comp (Grades 3 -7) Senior Camp (Grades 8-12)
